4 leg stacking

The 'Contour' family of stacking chairs combines elegance with simplicity. A high level of comfort when used for long periods of sitting. The family consists of four models; a side chair; two four leg armchair styles, one with cantilevered armrests and plastic pads, the other with a continuous arm from front leg to backrest with soft PU arm pad; and a cantilever chair with arms and soft PU pad. All models stack and link, and have an upholstered seat with integral under seat stacking pan and chair link as standard, plus a choice of backrests; either upholstered or black plastic.

Standard Features

- Black epoxy coated frame
- PU arm pad on full arm four leg chair model
- Both four leg & cantilever versions can be stacked
- Integral linking facility

Optional Extras

- Silver epoxy coated frames
