

conference

form and function
achieved with quiet
understatement

Senator Conference Furniture is produced from the finest materials to cater for the most discerning buyer.

It conforms with BS4875 - Strength and Stability of Office Furniture; without losing its classical appearance. All tables with edge detail 1/2/3 are 38mm thick for strength and durability. Traditional tables are offered with a choice of four alternative solid hardwood edge profiles. Circular tables and edge detail tables are manufactured from 36mm thick veneered MDF (medium density fibreboard).

Complementary two and three door credenzas are available with shelves; or alternatively with drinks cabinet and fridge. In

addition to credenzas there is also a tall storage unit. Credenzas and storage units are manufactured with matching 38mm thick tops, veneers and edge profiles.

Conference tables are offered with a choice of four top shapes, rectangular, D end, boat or circular. A choice of four alternative solid hardwood edge profiles, pencil round, grooved, radius or cut back and a selection of four table base frames, gullwing, round leg, elliptical leg or Intrigue base.
