

sprint

comfort, performance and ease of adjustment

SP640HA
Height adjustable arms
Sliding seat as standard

SP640
No arms
Sliding seat as standard

Designed for simplicity and ease of use with an understated style, Senator's new 'Sprint' chair is a competitively priced, high performance, high comfort task chair featuring a new synchro mechanism, seat slide and back height adjustment with optional height adjustable arms, representing the very best integration of style, function and value.

The full and shapely upholstery adds to the visual appeal of the design while providing an instant and excellent level of comfort combined with ergonomic integrity. Through the clarity and simplicity of this chairs' functionality and performance, 'Sprint' exudes common sense with all that's required from an operator chair for today.

Standard Features

- High lift black GRP base with 60mm silver castors
- Advanced synchronised mechanism, lockable in various positions and with anti-kick facility
- Tension adjustment using a retractable handle allowing operation from the seated position to provide variable tension
- Seat depth adjustable providing 40mm of adjustment using easy to operate bar under the front of the seat
- Gas height adjustment
- Height adjustable backrest providing 80mm of adjustment
- Integrated operating instructions in rear of backrest
